The dawn of something unusual-
Huh? You have to go to your part-time job again, Masaki?
I got saddled with a tough shift this month.
Yeah, sorry...
I won't be able to see you guys after school or on Sundays for a while.
Darn it! You're a young student!
Don't push yourself so hard!
Hey...
Take a look at that girl!

Isn't that the Ourinkan uniform? It's a school famous for all its rich girls.
Wow, she's super cute.
No kidding.
She's practically like a doll.
I'm glad I got a look at her.
That girl...
!...

A much-anticipated new artist appears in our magazine for the first time!!
I wonder why ...
she seems so lifeless.
She really is...
like a doll...
That chance encounter changed their fate-
SHINIGAMI ALICE
Otoha Idumiya

Ah, geez.
It's already gotten so late...
What'll I do about dinner-
...Hm?
Peek
...The doll-like one... from the afternoon?
One of Ourmkan's rich girls is walking around by herself at this time of night?
...That girl... she must be...
And going down a back alley, no less...
Could she be in some kind of... trouble?

Uyaaaaaaaaaaaahhh
Whoa...
dash
run
run
run
run
run
skid
PANT
!!

TURN

Well...
...What... is this...?
What...? What the hell is it...?
I suppose you saw me...
THUMP!
WHIP!
slam
collapse
How troublesome.

Now, then. What shall I do with you.
Miss?
Uh, oh...
Grandmother told me
to come home early tonight.
SLIP

...Tonight, and only tonight, I'll let you escape.
It would be better for you to avoid this area, Mise.

All that lingered behind, vividly, was the softness of her lips, and...
It was as if the emotions of terror and repulsion had wasted away inside me.
I found myself unable to cry as well.
.....
Then...
are you saying you have no memory... of what happened after you entered the alley?
...Yes.
...What about her?
Looks like she's innocent.
Her fingerprints didn't show up on the knife used in the murder.
The blood found on her face and clothing is definitely the victim's, but there isn't enough for it to have come from her attacking him.

In that case, our clues are...
The victim was a lawyer of ill repute. It would be only natural for someone to hold a grudge against him.
Besides, the lab says his left arm was severed with a blade similar to a pair of scissors.
Kagawa Masaki possessed no such item. If she'd thrown it away, there would have been no need for her to return to the crime scene.
She's simply
an unlucky witness who happened to run across a homicide as it happened.
only the tiny fingerprints
we lifted from the knife, huh...

I believe I told you it would be better to stop coming here.
...I couldn't afford to stay away
step
I was looking for you
...Mimori Hinageshi...
...your name?
That uniform is well-known, you see.
From the junior high division of the famous girls school, Ourinkan.
...Miss.
STOP
For what purpose did you come?
There aren't many students there, and investigating you was unexpectedly-

Perhaps.
I've shattered, somehow.
Clutch
...I wonder?
Oh, I'm Masaki.
Kagawa Masaki.
REACH
retreat
...What's the matter with you?
...You aren't playing along.
Didn't I say I would only let you go that one time?

I felt like I had to see you one more time, no matter what...
I couldn't forget the look you had in your eyes back then.
...May I... ask you something?
Hey.
...I think...
I can blame it on your eyes.
.....?
Is murder fun?

...Night after night.
You're so mean.
SHIN SHIN
You seem to have an excess of free time, Miss.
I don't have much time on my hands
Since I come running here right after my job.
But,
It's not like I'm getting in the way of your "work."
Hinageshi.
...That night was the first time someone ever witnessed me.
You're as superbly efficient as always
It's quite a hassle.

It's amazing how you've managed to keep this up night after night without getting caught.
But, you know..
Haha. Sorry, sorry.
You're peculiar...
I don't frighten you?
Of course you do...
But I can't turn away from your murders.
Your "work."
While I don't know the details,
my clients all seem to be excellent at cleaning up.
I get it. You take requests from those who are good at making things stay in the dark like that.

You oughta quit being an assassin.
You don't seem to be having an ounce of fun.
...That's...
#!! clench up
Say.
Do you enjoy meeting up with me like this?
.....
Didn't you
go out of your way to wait until i came?
plop
Take today, for instance.

Hardly...
I always tell you it's a hassle, don't I?
Please don't get concelted.
pivot
.....
RAISE
I really...
...should have killed her back then...
hug

...You know what you must do
with that "friend" of yours, yes?
Hinageshi-san.
You are the Mimori family heir.
But,
that's precisely why...
I need to end things...
Yes, Grand-mother.
I shall dispose of her.

Hello there...
Huh? You didn't have "work" today?
... Hinageshi?
No.
THRUST

...It's like a reenactment of before.
Shudder
Today, it begins here.
...Have you forgotten?
I am a murderer.
I see you no differently from my other targets.
Give up on my "work", you said.
...Hinageshi...

In other words, you merely don't have it in you to accept a murderer.
Which is why
you attempt to stop me.
clack
...Despite not knowing a thing...
grip
...You're getting in my way.

!
...Please...
HAA
HAA...
Don't get involved with me...
DRIP
That was the night Hinageshi disappeared.

...Man.
Where's that little idiot gone off to?
... A week, huh...
sure
All I did was walk through the city at night as though pursuing her lingering scent.
...Nah.
...Maybe I'm the idiot...

Because
Why was I
incapable
of ignoring
her?
I finally know
the answer
to that-

Crash
Shove
RISE
Hm...
.....

DRIP
PANT
AW-
SLASH
...Hina...
DROP

Masaki! Hang in there...!
Masaki...!
Masaki...!
...My name...
softly
That's the first time you've called it, right?
...But it sure hurts.
Yep.
It's fine. No more than a scratch.
Are you stupid...?
An amateur like him could never have shot and hit me! Why...
Your wound...
...This isn't the place to be saying such things!

...Why did you come?
I was horrible to you.
I told you to leave me alone.
...I meant to say goodbye to you forever...
...What a face
you're making.
!?
Ahhh.
...It's not as if I did something like this
because I wanted you to wear that kind of face.
.....

The first time I saw you, I thought
you seemed completely lifeless.
It wasn't that I couldn't forgive you for murdering.
I just didn't want to watch you deepen your sins
without any emotion, or the awareness of what it means to kill others
So?
Is murder fun?

...This is utterly new to me.
Normally, it's the same as plucking a roadside flower...
.....
Just now it was different.
I couldn't forgive him for hurting you. I hated and hated him, and I wanted to kill him...
My body started moving before I knew it...
It hurts
I'm scared.
...Even though I'm not
the one who got killed...
TRIANGLE

...I see.
...Then
are you happy I'm alive...?
.....

!
...Say,
Hinagoshi.

What is it, Masaki?
Next time, let's meet up during the day.
Not in the city at night.
Because if you don't understand, I'll teach you.
On a day with nice weather.
At an open-air cafe.
We'll drink cafe lattes or something.

The future lies within our joined hands...
And let's...
talk even more and more, about all kinds of things.
This world is overflowing
with enjoyment you don't of know yet...
